

Saturn Tile 2 Sided

Saturn Tile Shower

2 & 3 Sided, Neo Angle, Premade and Custom

SATURN DOOR

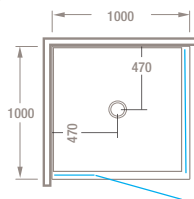

- Made in New Zealand.
- 6mm safety glass to New Zealand standards.
- 1900mm high door and returns.
- Polished alloy frame.
- Frameless door.
- Saturn Neo Angle Showers have generous side panels for extra space.
- Chrome hinges.
- 900mm slim line handle.
- Soft close magnetic door seals.
- Frame reversible to allow for easy installation.
- Glass shelves not supplied with tile shower.
- Able to be adapted to use with a Newline ProFinish™ Level Entry Tray.
- Sealant pack included.
- Customising sizes of fixed glass panels available.
NB: Door size remains standard.
- Tapware, tiles, waterproofing, waste, glass shelves and accessories not included.

NEWLINE PROFINISH™ TILE TRAY

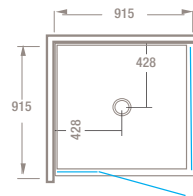

- Made in New Zealand.
- ProFinish™ tray simply glues to the floor.
(NB. Tray must be installed on a clean, flat even surface)
- Guaranteed continuous slope to waste.
- Flexible waste position.
- Waste not included.
- No time wasted waiting for sand and cement screed to dry.
- Simplifies the resource consent process.
- No need for expensive structural floor changes.
- Manufactured from light weight rigid polyurethane.
- The Newline ProFinish™ rigid polyurethane shower tray will hold its form and shape for 20 years if protected from moisture by an approved waterproofing membrane which has been applied by an approved waterproofing applicator.
- Acoustically superior to sand and cement.
- All dimensions from lined wall to outer edges of ProFinish™ Tray nominal.
- Tile thickness will affect overall height and depth of shower.
- Custom options available.
- Supplied with glue pack to fix ProFinish™ Tray
NB Warranty void if recommended glue and sealant not used.
